Attorney Docket No.: B0410/7283D1

Filed: January 28, 2004

Second Amendment After Final

U.S. App. No. 10/766,173

Inventors: John E. Ahern Page 2

The following <u>Listing of the Claims</u> will replace all prior versions and all prior listings of the claims in the present application:

Listing of The Claims:

- 1. to 37. (Canceled)
- 38. (Previously Presented) An implant for treating viable tissue comprising:
 a scaffold structure implantable within the tissue, the scaffold having a geometry adapted to be retained within the tissue, the scaffold structure being configured to mechanically trigger an injury response in the tissue that leads to angiogenesis in the tissue;

thrombus associated with the implant, the thrombus being loaded with a therapeutic material whereby the thrombus provides a host matrix for the therapeutic material; wherein the thrombus is disposed around the exterior of the device.

39. to 41. (Canceled)

42. (Previously Presented) An implant for treating viable tissue comprising:
a scaffold structure implantable within the tissue, the scaffold having a geometry
adapted to be retained within the tissue, the scaffold structure being configured to mechanically
trigger an injury response in the tissue that leads to angiogenesis in the tissue;

thrombus associated with the implant, the thrombus being loaded with a therapeutic material whereby the thrombus provides a host matrix for the therapeutic material; wherein the therapeutic material comprises an inhibitor configured to inhibit tumor growth.

43.-52. (Canceled)
